If I use Nittany Paper Products as my COSTARS authorized vendor, do I need to go out and bid?

No, COSTARS is a program set in place to help you save time and money by using DGS or State pre-approved vendors and products. On average when a firm goes out to bid it costs the company an average of \$3,000 for one bid. Utilizing a COSTARS contract is a great way to save.

## Our Company

Nittany Paper was established in 2005 by Donald M. Chapman III, with intention of providing sanitary paper to the New Jersey and New York metropolitan areas. However, through rapid growth and high demand, Nittany has established distribution throughout the entire northeast region. Nittany is able to cater to the needs of the Commonwealth with excellent quality, unmatched service, and a full line of products at economical prices. We are proud to say we employ 35 Pennsylvania residents and occupy 150,000 square ft. in the heart of PA. Please contact us today to find out more about our product line.
